Office of Legislative Liaison

FROM: R. E. Hineman  
Deputy Director for Science and Technology

SUBJECT: S&T Review of the Intelligence Community  
Legislative Program for the Second Session of  
the 99th Congress

REFERENCE: OLL Memorandum dtd 31 Oct 85, Subject:  
Intelligence Community Legislative Program for  
the Second Session of the 99th Congress

1. My staff has reviewed the referenced memorandum. We concur with the contents except for 99/2 - 10: Miscellaneous CIA and NSA Amendment. This proposal states that "the Central Intelligence Agency and National Security Agency are able to deal with security problems in the area of alcohol and drug abuse without regard to the provisions of any other law, rule, or regulation." We take issue with this all-encompassing position and suggest you modify it to reflect statutory limits.

2. Please contact [redacted] if further discussion is desired.
